

Chairman Powell, I am "deeply disturbed" by your lack of regard relevant to your decision to go forward with the broadcast ownership Biennial Review proceeding on June 2, 2003 without further consideration of the general public's disdain for this effort. I was privileged to hear Chairman Johnathan Aidelstein espouse his views on the American Urban Radio Network whose broadcast capabilities will be negatively impacted as will that of all other ethnically owned media in this nation by your action. Shame on you for the position that you have taken on this matter.
